# Environmental Policy Statement

## Our Commitment to the Environment

Schindler UK & Ireland Group Companies undertake the design, procurement, installation, final inspection & testing, maintenance, repair & modernisation of all types of lifts, escalators & moving walks.

We will continually improve business processes and operational performance to reduce our environmental impact and where practicable prevent pollution.

Business Objectives are defined annually by Schindler Group and form Schindler UK & Ireland Group Company VFO's (Vital Few Objectives). Environmental aspects and impacts resulting from our activities will be considered and objectives and targets defined.

We will comply with all applicable legal requirements and any other requirements identified in relation to our business environmental aspects.

This policy will be communicated to all internal employees via our IMS (Integrated Management System), our Customers and any other interested parties and reviewed on an annual basis by the Leadership Team.
