Elevator Design Catalog
Design lines, colors and materials
Your choice of design – Enjoy the possibility of creating your own car interior design. We offer unparalleled flexibility and help you to find the ideal fit for functional, sophisticated and innovative interior architecture concepts. **Bring your style to life.**
Create the look and feel you like. Combine colors, materials, lighting, mirrors, handrails and fixtures to achieve the ambiance that fits your building. Choose from one of our interior design lines or design an individual car that fits your needs.
Navona
Functional and durable

Clarity and comfort in your car with this robust design line. Fresh colors, durable accessories, and the option of five different floors make Navona an excellent choice for residential applications. Stainless steel option for rear and side walls.

Available for
Schindler 3000
Schindler 5000

Design | Elevator deco lines
**Times Square**
Modern and versatile

Determine your contemporary look. Choose from warm or cool colors to create a fresh look or combine the options to enhance contrast for more depth. Select glass doors and walls for transparency. Use a bare car option to create your style and taste. Times Square adds distinctive features to any public, commercial or residential building.
**Park Avenue**

Sophisticated and elegant

A touch of class. Back-painted glass walls or wood laminate for a rich, contemporary mode. Or a luxury feel with gold or silver shimmer on metallic glass collection and bronze or satinated grey on stainless steel. Matched lighting completes Park Avenue’s elegance.

Sunset Boulevard
Inspiring and bold

Aim high for passenger excitement in upmarket locations like hotels, clubs and restaurants. The combination of premium-quality materials, captivating patterns and splashy color gradients make this car a unique experience. Make your elevator your stage.

Sunset Boulevard
Lighting: Dash
Ceiling: Stainless Steel Lugano Matt
Walls: Digital Print on glass, Detroit Grey
Car operating panel: Linea 300
Skirting: Flushed
Floor: Artificial Granite Black
Linea 100 offers functional design in stainless steel. The display is integrated in white glass, large, easily readable, and red LED dot matrix. Push buttons are clear with red call confirmation.

Fixtures
Linea 100

6. Landing operating panel
7. Horizontal car operating panel

Emergency light
Emergency call button

Sleek design. Stylish but functional hairlined stainless steel

Integrated white glass display with large, easily readable red LED dot matrix
Fixtures
Linea 120 Touch

The convenience of our typical user interface converted to a touch version. The stylish design is in resistant glass with light indication to signal all functions, and dot matrix displays with large, easily readable, red LEDs.

Available for
Schindler 3000
Schindler 5000
Fixtures
Linea 300

An upmarket user interface to enhance your elevator’s looks, with an intuitive, efficient design. The display is in black glass, with buttons positioned on elegant black stainless steel, or white glass display on typical stainless steel color finishing.
Mirrors
Ensuring optimal appearance

Mirrors heighten the sense of space, depth and comfort in elevators. Your elevator can be fitted with a full-height or half-height safety glass mirror on the side or rear wall of the car.

Landing doors
For a stylish entrance

How your elevator design blends into your building can enhance your tenants’ response to the overall décor design. We offer a full range of colors to help you fulfill your building’s full design potential.
Handrails
Free choice of shapes and finishes

Handrails convey a feeling of security. Schindler stainless steel handrails are designed to blend with car interiors, shapes and textures, and can be mounted to the side and rear walls. Available in curved, straight, straight with curved ends, and revolving layouts.

Customize your handrails

Handrails convey a feeling of security. Our handrails are designed to blend with car interiors, shapes and textures.

The handrails can be mounted in different combinations of side and rear walls, either only one handrail piece on the rear or side walls, two handrail pieces on the side walls or handrails on three walls. They can be connected straight or revolving.

Choose the handrail shape you prefer:

- Straight
- Straight with rounded ends
- Curved

Finishes:

- 01 Painted Riga Grey
- 02 Stainless Steel Brushed
- 03 Stainless Steel Polished Mirror

Bumper rails
Preserving your car interior

Designed to protect your elevator car walls and prolong their sleek looks, Schindler’s damage bumper rails are available in a variety of heights, and in stainless steel or PVC.

Choose from different heights depending on your requirements. Available in stainless steel, PVC or wood.

- 01 PVC Coated Black
- 02 Stainless Steel Brushed
